

REMARKS

STATEMENT OF SUBSTANCE OF INTERVIEW

Applicant wishes to thank Examiner Nguyen for the telephone interview she so courteously granted to applicant's undersigned attorney on October 30, 2008.

It was **agreed** that the above amendment to dependent claim 10 overcomes the Examiner's objection to the drawings under 37 C.F.R. 1.83(a) as presented on page two of the Notice of Allowability mailed October 17, 2008.

PATENT TERM ADJUSTMENT

Since the Examiner's objection to the drawings was presented for the **first time** in the Notice of Allowability, this is the first opportunity available to applicant to overcome the objection to the drawings; therefore applicant respectfully requests that the present PATENT TERM ADJUSTMENT of 373 days **not** be reduced.

ALLOWABLE SUBJECT MATTER

Thus, applicant respectfully requests the Examiner to enter the above amendment to dependent claim 10 and to pass the application to issue.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
